

**The Bishop of London wishes to appoint a
VICAR
for St Peter's Eaton Square**

St Peter's Eaton Square is a lively parish church in the heart of central London with an active multi-generational congregation and an outstanding primary school. We seek an experienced priest to lead us into the next phase of our life together.

We are looking for a priest rooted in prayerful spirituality, gifted with vision and energy to lead us in strengthening our community ties, defining and refining our vision and fulfilling our significant potential. We would welcome a dynamic incumbent to inspire us and lead us in love and in faith.

The Bishop and PCC seek a priest who is

- committed to sacramental worship in the liberal Catholic tradition of the Church of England and to the principles of the Inclusive Church movement
- experienced, as the incumbent of a parish or another equivalent role, in successful leadership of a diverse church community, and in fostering positive relationships within and beyond the church walls
- fully supportive of the significant role that our excellent music performs in our worship and the life of our church
- spiritually uplifting and compassionate and able to inspire adults and children through preaching and teaching

In partnership with our active PCC, the vicar of St Peter's Eaton Square is well supported by a strong team of lay and clerical staff, sound finances, and a vibrant congregation. This is a fulfilling role which will reward passion and commitment.

We are committed to collaboration with other local churches, to share our resources with those in need and to play our part in the Diocesan vision for every Londoner to encounter the love of God in Christ.

We welcome applications from all. However, the Diocese of London is aware that women and people of colour are currently under-represented among our clergy and so we particularly encourage applications from these groups. Appointment will of course be based on merit alone. Enhanced DBS will be required.
